History	Year group: Y1 Term: Spring 1	Title: Family Album	
What should I know? I should be able to recognise and describe special times or events for family and friends. I should be able to tell the difference between past and present. I should be able to understand why people in the past acted as they did. 	Facts I will learn I will learn that some things about birthday celebrations have stayed the same and some have changed. I will learn that toys and other objects can be placed in age order. I will learn that children, parents, grandparents and great grandparents are linked together in a family tree. (This will be demonstrated using the Royal Family Tree.)	Key questions • How many years have I lived for? • How have I changed over time? • Which notable events have I experienced in my lifetime? • Who are the members of my family? • How do we celebrate birthdays? (Now and in the past) • What were toys like in the past? • Who are the members of our Royal Family?
