

Subject: DT	Year group: 5 Term: Summer 1	Title: Amazon Adventure
What should I know? • How to prepare pattern pieces as templates for their design • To begin to understand seam allowance • How to join fabrics using running stitch, over sewing and blanket stitch • How to use a prototype to make pattern • How to strengthen and stiffen fabrics • How to recreate fastenings • How to sew on buttons and make loops 	Facts I will learn ... • The key features of existing products and how these are important to the user • Understand how key people have influenced design • The role of craft makers and designers in different times and cultures • The different types of stitches including over sewing, back stitch, blanket stitch or machine stitching 	Key questions ... • Who might use this? • Would it fit you? • What purpose does it serve? • What equipment might this carry? • What stitches have been used? Fastenings? What stitches have been used to secure the holders? • What sort of thread has been used? • Why do you think this fabric has been chosen? Why have different fabrics been combined? 
Key Skills...	Experiences that school will provide:	

- To cut accurately and safely to a marked line
- To select from and use a wide range of materials
- To use appropriate finishing techniques for the project
- To create 3D products using pattern pieces and seam allowance
- To decorate textiles appropriately (often before joining components)
- To pin and tack fabric pieces together using over sewing, back stitch, blanket stitch or machine stitching

- A visit to the zoo to learn about the Amazon

Key vocab

Definition

Tack	A short pin with a flat, wide head.
Seam	A line formed by sewing two pieces of fabric together.
Stitch	One movement of a needle and thread through cloth or other material when sewing.
Pouch	A sturdy bag or sack of any size that is used to carry things.
Combine	To bring or join together into a whole.
