Facts

Lots of shop names in Spanish end with the suffix **-ería**.

Grammar

We use **“la”** (the) for most of the nouns ending in **-a**.

Grammar

In Spanish, we have a special punctuation mark called an inverted exclamation mark (**¡**).

It goes at the beginning of the sentence or phrase. It is an exclamation mark but flipped upside down to show excitement, emphasis or a command. At the end of the sentence, you use a regular exclamation mark (**!**).
