  #HyndburnHub

# The Hyndburn Hub is part of the Government's network of support facilities.

Delivering essential supplies to the most vulnerable residents in our community, the Hyndburn Hub has been made possible through the collaborative work between Hyndburn Borough Council and Hyndburn & Ribble Valley C.V.S plus hundreds of volunteers and organisations.

The hub is for individuals that are part of the 'shielding group' and have been identified and contacted by the NHS.
